

## How to Calculate the "Site Code"

1) Open the start menu, Browse to the Millennium folder, and open the program labeled as "Setup Millennium"

2) Enter in the Logon information; Then go to Options on the top task bar, and select License Setup. Finally, generate the Site code and send it to Technical Support as so Technical support may supply the Site Key.

Log	on	File Colors	Ports User Fields	Options Readers Lockdown CCTV Setup System Options
Name	OK Cancel Help			BioEntry Setup Salto Setup Email Setup Logon Setup Building APB Options License Setup
	Unregistred copy of mpw.exe The available options: Salto CCTV BioEntry			
	Site Key:	Help	Authorize
